**MONTGOMERY COUNTY
COMMUNITY FOUNDATION**

ANNUAL REPORT 2021

Dear Friends of Montgomery County Community Foundation—

Thank you for all of your interest and support of MCCF in 2021. Montgomery County Community Foundation creates and manages legacy gifts that offer scholarships and support the work of non-profits in and serving the residents of Montgomery County now and into the future.

Living through the challenges of 2020, and positioning for the "new normal", MCCF made some major gains in 2021. As of 12/31/21, the market value of Fund Corpus increased to over \$11,310,000. This was due to combination of generous donors creating and adding to existing funds, as well as diligent professional investing of the Fund Corpus.

During the year, the foundation distributed \$274,763 to Montgomery County charities, including funds to help people who were not able to work because of the arctic freeze we experienced in February 2021. In addition, MCCF distributed \$17,000 in scholarships to deserving students throughout Montgomery County. This continues a long history of charitable giving through MCCF. Including 2021, The Foundation has distributed over \$2,592,000 in scholarships and gifts to Montgomery County students and non-profits.

The Foundation raises funds to help cover the administrative costs through the MCCF Annual Shootout and the Annual Gifts of the Vine Wine Dinner. These two events raised over \$208,000 in 2021. Thanks to all who participated in these events as sponsors, donors, and volunteers.

Recognizing 2022 presents new challenges in the economy and the investment markets, MCCF continues to press ahead with a measured long term approach. The Foundation maintains a well-diversified, professionally managed, investment portfolio overseen by the Investment Committee of the Board. The Foundation also keeps ample funds available to provide the annual distributions to scholarships and non-profits.

Do you have a heart for charitable giving in Montgomery County? You can become involved through one of the wide range of Field of Interest Funds. These funds cover areas like Animal Welfare, The Arts, Health and Human Services, Education, Heritage, Civic and Cultural Activities, and The Environment. In addition, you can create your own funds with a minimum donation of \$15,000 payable over 5 years. These funds will be invested to provide distributions forever to the organization or cause that is most important to you. Don't forget you can add Montgomery County Community Foundation to your will to establish an endowment that will live far into the future.

Special thanks to all who continue to support the Montgomery County Community Foundation. Whether you participate as a donor, help with the fundraisers, a staff member, or volunteer, it is your efforts that make MCCF a success and position the organization to benefit Montgomery County residents for years to come.

LEGACY CIRCLE

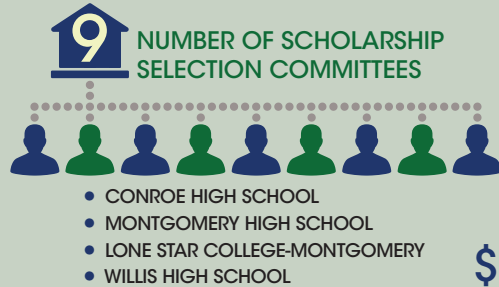

Planning ahead makes a difference in how you view the legacy you leave. When you give to charity through your will, you enjoy financial and tax benefits while also helping ensure that the work you are most passionate about endures for generations to come. The Montgomery County Community Foundation's Legacy Circle highlights people who have decided to include the Community Foundation in their estate planning to benefit a specific cause, organization, or the future of students who are continuing their education after high school.

Scholarship Program

The **Henry and Billie Brooks Scholarship at Lone Star College-Montgomery** provides need-based scholarships to citizens of the United States of America, who are residents of Montgomery County and wish to attend Lone Star College-Montgomery. Piolo Soriano, a graduate from Conroe High School, will be studying nursing at Lone Star College Montgomery using the \$1,000 per semester scholarship over potentially four consecutive semesters of the Brooks scholarship.

The **Keaton "KBuss" Bussell Memorial Scholarship Fund** benefits a student at Montgomery High School, who along with academic performance demonstrate leadership, motivation, character, ability, citizenship and potential, in memory of Keaton "KBuss" Bussell. The family and community came together in November to launch the inaugural KBuss Memorial Golf Tournament to raise funds to expand this endowed scholarship. A portion of those funds were set aside to increase the number and size of the scholarships in 2022. Keaton's family was excited to award this \$1,000 scholarship to Lake Creek High School's Zachary Robin Downs, who is studying business at University of Concordia – Nebraska in 2021.

The **Shane Dickerson Carter Memorial Scholarship Fund** was created to benefit Montgomery High School seniors who have demonstrated the Rotary International mission of "Service Above Self".

This endowed scholarship fund was created by Rotarian Don Carter in memory of his beloved wife Shane Dickerson Carter. Two \$1,000 scholarships were awarded from this fund in 2021 to Montgomery High School seniors Rachel Marie Denner and Madison Alise Rodriguez.

The **Mary Jane Hamilton Memorial Scholarship Fund** benefits students from Montgomery County planning to attend Lone Star College-Montgomery. This need-based endowed scholarship fund was created in memory of Mary Jane Hamilton by her loving stepmother, Patti Harrison to honor Mary, an HISD elementary school teacher for 17 years. In 2021, four \$1,000 scholarships were presented to Caney Creek High School Senior Jennifer Clara Cardenas, Willis High School's Johnathan Hernandez, Oak Ridge High School's Walther Joseph Laureano, and Conroe High School senior Yadhira Valadez Nava.

The **Hivnor Family Scholarship Fund** benefits students of Willis High School participating in varsity athletics, including cheerleading and drill team. The commitment of the Hivnor Family emphasizes their strong belief in the importance of higher education. The 2021 scholarship for \$1,000 was awarded to Willis High School senior Marci N. Konen to attend Texas A&M to study biology.

The **Ruben W. Hope, Jr. Memorial Scholarship** was created by the Hope Family and friends to honor Ruben's passion for education and commitment to the people of Montgomery County. The scholarship for \$500 in memory of Ruben W. Hope, Jr was awarded in 2021 to Conroe High School senior Rhylee Shaw who is studying marketing at University of Texas.

The **Cort Martin Memorial Scholarship** at Lone Star College-Montgomery was established by combining the Cort Martin Scholarship Fund and the Montgomery College Fund. This need based scholarship is for Conroe ISD seniors planning to attend Lone Star College – Montgomery. It honors the memory of Cort Martin, son of Tim and Deanna Martin, who was tragically killed in an accident. A \$1,100 scholarship was awarded to Hanna DeVerse, senior from The Woodlands College Park High School for 2021, who is studying psychology.

The **Buddy Moorhead Memorial Scholarship** honors the memory of Conroe High School Football Coach Buddy Moorhead. Seniors selected for this award must have participated in football at Conroe High School, have a reasonable chance of success in college, be of good character, and must exemplify the "spirit" of the Conroe Tigers. This scholarship was supplemented by the Conroe Tiger Football Booster Club. Layne O'Dell was the 2021 recipient of this \$1,000.00 scholarship to attend Navarro College to study education.

The **Alfred (Jimmie) and Joyce Soupart Scholarship** is a need-based scholarship for students of Conroe High School. The Souparts believe that higher learning is the pathway to success and have created a legacy of commitment to higher education by providing needed funding. A scholarship of \$3,200 was awarded in 2021 to Conroe High School senior Mia Arnsworth who is studying biology at University of Texas at Arlington.

The **Sowers Family All Means All Graduating Students Scholarship Fund** supports Conroe ISD graduating students who have the drive to continue their education after high school and have challenges to overcome during their high school years. At the end of the 2020-2021 school year, at least one ninth grade student who will attend Conroe High School was selected to be awarded this incentive graduation scholarship in 2025.

The **Texas Osteopathic Rural Initiative (TORI) Fund** will fund over eight consecutive semesters to Sam Houston State University School of Osteopathic Medicine student(s) who plan to practice rural medicine upon completion of their degree. The first scholarship from this fund will be awarded in 2023.

MCCF Long Term Disaster Recovery Fund

Who would have ever thought that Montgomery County would be shut down for a week by a winter storm? In February 2021, a massive multi-day ice storm along with extensive below freezing temperatures completely shut Montgomery County down. Residents were not able to go to work — even remotely — because there was no electricity. Parts of Montgomery County's roads were iced over for several days, and electricity was out in some areas for over a week due to downed powerlines and iced-over power plants. People who work in hourly jobs lost precious hours of income and faced tough decisions about paying their rent or mortgage and feeding their family. The Montgomery County Community Foundation Board members quickly granted most of the remaining funds in the Long Term Disaster Recover Fund to Community Assistance Center to pay rent, mortgage, and utility bills and Montgomery County Food Bank to provide food to those who lost income during the arctic blast. Community Assistance Center assisted sixty-three households while Montgomery County Food Bank provided enough food to prepare 2,000 meals to county residents.

Montgomery County Community Foundation also awarded \$17,000 in college scholarship to fourteen Montgomery County area high school and college students to continue their post high school education.

MONTGOMERY COUNTY COMMUNITY FOUNDATION KBUSS MEMORIAL GOLF TOURNAMENT

Keaton Bussell left a huge mark on the people he met. His love of his family, his generosity of spirit, and his love of sports, including fishing and hunting, molded him into a caring person who included everyone in his orbit. His philosophy on life was "Life is hard but living life with perseverance helps us to grow into stronger, more rounded individuals. In my senior year I've learned that my mistakes don't define me, they have molded me to become stronger and more well-rounded. No matter how hard it gets, don't give up." After his tragic death in an automobile accident on his way to work one month after graduating high school, his family established the Keaton "KBuss" Bussell Memorial Scholarship Fund for a graduating Montgomery High School or Lake Creek High School senior who exemplifies who Keaton was.

Keaton's family decided to increase the impact his scholarship could have by hosting a golf tournament. The First Annual KBuss Memorial Golf Tournament, held at Walden Country Club, was a tremendous success! The event raised \$56,000 so Keaton's family decided to offer two scholarships in 2022 — one at Montgomery High School and the other at Lake Creek High School and doubled each scholarship to \$2,000. After expenses, the balance was invested in Keaton's fund to continue growing for scholarships in the future. Congratulations to Keaton's Family who brought their community together to build on Keaton's legacy.

LEGACIES HELP SHAPE THE FUTURE of Montgomery County!

People are always concerned about the future. It is an unknown even as we run multiple scenarios of what it might look like. The Montgomery County Community Foundation offers you the opportunity to connect your passion with the future, making sure the issues and causes you most care about receives funding in perpetuity. Your legacy dreams come true by creating an endowment fund that supports the work of non-profits serving the residents of Montgomery County both now and into the future. The MCCF Board of Directors and separate Distribution Committee ensure an elevated level of stewardship and impact of the funds entrusted to and managed MCCF.

- Montgomery County Community Foundation supports a wide range of philanthropic objectives that make Montgomery County a strong and vibrant community – animal welfare, the arts, historical preservation, health and wellness, human services, education, long term disaster recovery, public safety, civic and cultural activities, and the environment.
- Scholarship funds can be established for Montgomery County residents attending post high school educational and technical institutions.
- Through conservative investing and prudent stewardship, MCCF provides individuals with a cost-effective avenue to establish their philanthropic plan.
- A fund can be created with a minimum of \$15,000 over a five-year period. The fund may be named in honor of or in memory of someone, and/or dedicated to a specific purpose or non-profit in Montgomery County.
- Endowments can be established through a will, trust, retirement plan, life insurance policy, or other account.
- In addition, a non-profit can establish an endowment to be administered by MCCF.
- Earnings from the endowment are only used to fund grants and scholarships. Administrative costs are underwritten by two annual fund-raising events.

Making plans about your future charitable contributions? Want to leave a legacy that will support your passion and concern for the future of our community? Consider writing MCCF into your will, trust, retirement plan, or insurance policy as a way to make a lasting gift to our wonderful community.
